

## OBSERVER 001 2K SPORT WATCH CAMERA

The **OBSERVER001** is the ultimate in spy watches. It integrates the best technology of UltraHD quality video camera (1296P at 30 frames per second) into an elegant and sporty Men's Wristwatch, making it one of the ideal devices for making discrete recordings.

Its low-light image sensor allows you to make quality videos even in dimly lit places.

The sound quality is amazing, you will be able to listen to recorded conversations even in noisy environments.

The camera's viewing angle is 65° and the built-in memory is 16GB.

To view the recordings you just have to unlock one of the watch crowns to access the USB connection to plug to your computer.
