

## OBSERVER 002 CRAMP FULLHD CAMERA

**The Observer002 is the ideal solution when you need video recording quality with good battery work time in a portable device.**

The Observer002 has 850mAh battery which allows, after fully charged, a recording autonomy of more than 5 hours.

The picture quality (HD 1080P) and the sharpness of sound makes the videos performance very good.

The Observer002 includes a removable memory card of 32GB, which allows storing recordings of more than 3 hours.

The design of the Observer002 is such that, once it is placed in a pocket, it gives the impression that what you are carrying is a marker pen, as people will just see the upper part of the device.
